

If you...

- are passionate about children & young people's mental health
- have accessed mental health services locally
- would like to make a difference by sharing your views
- are looking for an exciting volunteering opportunity

become a Young Mental Health Ambassador!

We need your voice!

Your experiences are key to shaping the future of the Emotional Wellbeing and Mental Health Services in Essex. Young people's mental health is hugely important and you can help to change local services for the better.

If you are a child or young person up to the age of 23 (or up to 25 if you have special educational needs and disabilities), you can be involved in many different ways.

- Create videos, online blogs and respond to other digital tasks
- Share your experiences, views and opinions to help Commissioners develop the new mental health service
- Attend Young Mental Health Ambassador meet ups and build your network
